Tamika, from Baltimore, MD recounted her experience with Psychic Source: “Despite my disbelief and skepticism of psychics, I called, and met Jason, my psychic. And right from the start, he said things to me that really touched my heart, that no one has ever said to me before. I didn’t think that there was that ‘one’ for me... deep down I wanted to believe that I wasn’t meant to be alone... and I don’t know if he sensed worry or doubt in my voice, but he told me that my boyfriend is my number-one fan. Which is exactly what my boyfriend had told me! He told me my boyfriend was deeply in love with me and the one I was going to spend the rest of my life with...”.
