United Van Rentals announces that the company now offers service to customers throughout the Southwest in multiple locations. Visitors to California, Nevada and Arizona can all find United Van Rentals service throughout these three states.

United Van Rentals offers service near Orange County's John Wayne Airport (SNA); Las Vegas Airport (LAS); Los Angeles International Airport (LAX); San Diego Airport (SAN); Long Beach Airport (LGB); Burbank Airport (BUR); Ontario Airport (ONT); San Francisco Airport (SFO); and Phoenix Airport (PHX). At any of these locations, United Van Rentals will pick the client up at the airport or a hotel or other pre-arranged location. UVR also has offices in Irvine, California, and Las Vegas, Nevada, to further serve customers in those areas.

Whether travelers need a 12-passenger van rental as seen at <http://www.unitedvanrentals.com/12-passenger-van-rental.html> for a large group, a select 8-passenger minivan rental as seen at <http://www.unitedvanrentals.com/8-passenger-van-rental.html> with all the amenities, or even a cargo van to move equipment for a conference, UVR is ready to provide the right vehicle.

With multiple locations and friendly staff, UVR is one of the easiest places to find the right van rental for groups of any size. The company also offers true reservations; rather than reserving a "spot" for a customer, United Van Rentals guarantees that the exact van the customer ordered will be available for pickup. With after-hours pickup and drop off as well as free transportation to many locations near the airports served by UVR, customers will find that this company provides simple and convenient van rental procedures that save time and money.
